CULVER MARINA BAR ASSOCIATION

NEWSLETTER

MESSAGE FROM THE PRESIDENT

June, 2008

Dear Members:

The Culver Marina Bar Association web site is now back up and running. We are still in the process up updating it, but check it out at www.culvermarinabar.org.

Our last meeting was extremely informative. Our Association was addressed by Jacques Nack Ngue of eClarix, a firm that specializes in e-discovery consultation. He offered tips and techniques on how to demand discovery of electronically stored information and once received, how to sort through, process and manage the electronic information produced.

Our June meeting will be held at on June 17, 2008 at Truxton's American Bistro at 8611 Truxton Ave. Los Angeles, CA. 90045. The meeting will start at 6:00 pm with a social hour followed by dinner at 7:00 pm along with a presentation from Jack Draper of All American Dispute Resolutions, Inc. He will give a presentation on the use and proliferation of "On-Line Mediations". Given the electronic age that we are currently in, this presentation will assuredly be particularly informative and useful.

On July 12, 2008 our Association will team up with the Santa Clarita Bar Association and spend a "Day at the Track" at Hollywood Park. We hope to arrange a private tour of the grounds, where we may be granted access to the paddock and stables. This will be a fun and "can't miss" outing for horse racing aficionados. The time and place to meet will follow. There will be no meeting in August. But, in September, the Association will be addressed by our Executive Director, Michael Fate, on the topic of "Ethics – What is involved in the closing of a law practice / dealing with the law practice of an attorney unable to continue with his practice". All of us who engage in the daily "battle of the bulge" will be entertained by Mark Levanthal in October. Mr. Levanthal is a New York attorney, who is flying out especially to speak with us. He is a "weight control specialist and life coach". He urges his clients to pick up the phone and call him before reaching for that doughnut. We'll see if he touches his dessert. As a special incentive for Culver Marina Bar members only he is willing to work with them for 50% off his regular rates (which are set forth at www.attorneyweightloss.com). Mr. Leventhal believes that it would be beneficial if at the time he makes his presentation in October, he could have a local member of our Bar, who is a Leventhal Weight Loss Incorporated success story. If you are interested, please contact Mr. Levanthal at 202-550-8638.

We welcome those who have not been attending the monthly meetings to “reconnect” with the Association to see what we have been up to. We are working on a “Referral Directory” for members’ use that will contain the areas of specialty of Culver Marina Bar Association members. We urge our members to consider referrals of clients to other members.

I am looking forward to a fun and exciting remainder of the year, and I look forward to personally greeting you at our next meeting.

David M. Shaby II, President
