CULVER MARINA BAR ASSOCIATION

NEWSLETTER

MESSAGE FROM THE PRESIDENT December, 2008

Dear Members:

A motion was passed by your Board to post our Membership Directory on our web site. It will include name and contact information along with each member's areas of practice/specialty. In September I asked members to contact me with any changes to their contact information or areas of practice, but I have heard from only a few individuals. If appropriate, please send me an email at Shabylaw@aol.com with any updated information.

If any member wishes that his or her name and/or contact information be withheld from inclusion in the list, please let me know as soon as possible and your wishes will be complied with. I am planning to post the member information on our website in January or February, 2009 so please do not delay in sending me any changes or exclusion requests.

For those of you who missed our October meeting, we were addressed by a New York attorney, Mark Leventhal, a “weight control specialist and life coach,” who came out specially to help us beat the battle of the bulge. He urges his clients to pick up the phone and call him before reaching for that doughnut. He is offering Culver Marina Bar members a discount off his regular rates (which are set forth at www.attorneyweightloss.com). If you are interested, please contact Mr. Leventhal at 202-550-8638.

Mr. Michael Solender, a renowned construction defects expert, spoke to us on issues involving premises liability and litigation in November. He regaled us with some incredible “war stories”.

We will be having our December holiday luncheon party on December 7, 2008 at 11:30 am at Café Del Rey in Marina Del Rey. The cost will be \$60 per person. The company and cuisine will, I am sure, be first rate. Please be there! **Your RSVP and your payment for the event must be received by my office by December 3, 2008.**

On January 20, 2009 Susan Jackson of Wells Fargo Bank will address us on creation and administration of Special Needs Trusts.

I am looking forward to a fun and exciting remainder of the year, and I look forward to personally greeting you at our next meeting.

David M. Shaby II, President
