MESSAGE FROM THE PRESIDENT

September, 2009

Dear Members:

We are posting our membership list by alphabetical order and by area of practice on our website. It should be posted by the end of August. Please check it out. While we have endeavored to be as accurate as possible, there is always the possibility that your information has changed or that you were not included in a specific area of practice. PLEASE check out the website. If you have any changes to your contact information or to your area(s) of practice, please email me at Shabylaw@aol.com with any changes.

STILL THE BEST DEAL IN TOWN:

Participatory MCLE credits usually run from \$50 to \$75 /hr. With the Culver Marina Bar Association you get 1 hour of MCLE credit AND a first rate dinner (and of course great company) for ONLY \$40!

We have an interesting meetings coming up in September.

On September 15, 2009 Rhonda Saunders will address our organization on the topic of "Stalking the Stalkers." Ms. Saunders is an LA Prosecutor. She re-wrote the law on "stalking" and has prosecuted the biggest stalking cases. She will address us on the history of the stalking laws and the element of "stalking" under the law. In her presentation she will examine what constitutes a credible threat, the intent necessary to place a victim in fear and what constitutes reasonable fear. She will also give us some interesting insights into seeking and obtaining Restraining Orders. This should prove to be a revealing, informative and insightful presentation – not one to be missed!

On October 20, 2009 Raymond Goldstein, a collections expert, will address our organization on "Judgment Enforcement Remedies." He will give us a "primer" of practical practice tips for collecting on judgments, including ones for attorneys fees. Anyone who practices in the areas of civil litigation and/or family law will want to attend this meeting.

I am looking forward to a fun and exciting remainder of the year, and I look forward to personally greeting you at our next meeting.

David M. Shaby II, President
