NEWSLETTER

MESSAGE FROM THE PRESIDENT October, 2009

Dear Members:

We have posted and recently updated our membership list by alphabetical order and by area of practice on our website. Please check it out. I received input from some members, who asked me to correct some of their information. In the meantime a number of individuals renewed their membership and asked for inclusion in the membership lists. While I was handling some information changes, others were updating the lists by adding the new members. The end result is that we have multiple lists. While we have endeavored to be as accurate as possible, there is always the possibility that your information has not been updated on the posted lists. PLEASE check out the website. If you have any changes to your contact information or to your area(s) of practice, please email me at Shabylaw@aol.com with your changes.

STILL THE BEST DEAL IN TOWN:

Participatory MCLE credits usually run from \$50 to \$75 /hr. With the Culver Marina Bar Association you get 1 hour of MCLE credit AND a first rate dinner (and of course great company) for ONLY \$40!

We had a very interesting meeting in September. Ms. Rhonda Saunders is an LA prosecutor, who wrote the current California anti-stalking law. She was responsible for prosecuting the most notorious stalking cases in the Los Angeles area. She educated us on the requirements to obtain a conviction under the statute and entertained us with "war stories". More about this topic can be found in her book "Whisper of Fear".

On October 20, 2009 Raymond Goldstein, a collections expert, will address our organization on "Judgment Enforcement Remedies." He will give us a "primer" of practical practice tips for collecting on judgments, including ones for attorneys fees. Anyone who practices in the areas of civil litigation and/or family law will want to attend this meeting.

I am looking forward to a fun and exciting remainder of the year, and I look forward to personally greeting you at our next meeting.

David M. Shaby II, President
